AFFIDAVIT OF SPECIAL AGENT

I, [REDACTED] being duly sworn, depose and state:

3. I am currently participating in the investigation of the two explosions that occurred on April 15, 2013 in Boston during the Boston Marathon and a subsequent carjacking and shootout that occurred on April 18-19, 2013 in Cambridge and Watertown, Massachusetts. I believe that the same individuals, Tamerlan Tsarnaev ("Tamerlan") and his brother Dzhokhar Tsarnaev ("Dzhokhar"), were involved in the Marathon bombing, the carjacking, and the shootout. This affidavit is submitted in support of a second search warrant for a 1999 gray Honda CR-V, bearing Massachusetts license plate number 316ES9 ("the Target Vehicle"), as

SAdd.19

DT-0000574

more particularly described in Attachment A hereto, which is incorporated herein by reference.¹ As set forth below, the Target Vehicle is the vehicle of Tamerlan and Dzhokhar. This requested second search warrant seeks a limited search of the Target Vehicle to seize blood, DNA, trace evidence and other items, all of which are more fully described below, that may have been transferred to or from the vehicle by Tamerlan or Ibragim Todashev ("Todashev"), one of his associates, after a triple murder that occurred in Waltham, Massachusetts in September 2011. I have probable cause to believe these additional items may be evidence of the commission of criminal offenses, in violation of 18 U.S.C. §§ 1951 (Robbery Affecting Interstate Commerce), 924(c) (Use of a Firearm During a Crime of Violence), 1519 (Obstruction of Justice) and 371 (Conspiracy to Commit Offenses).

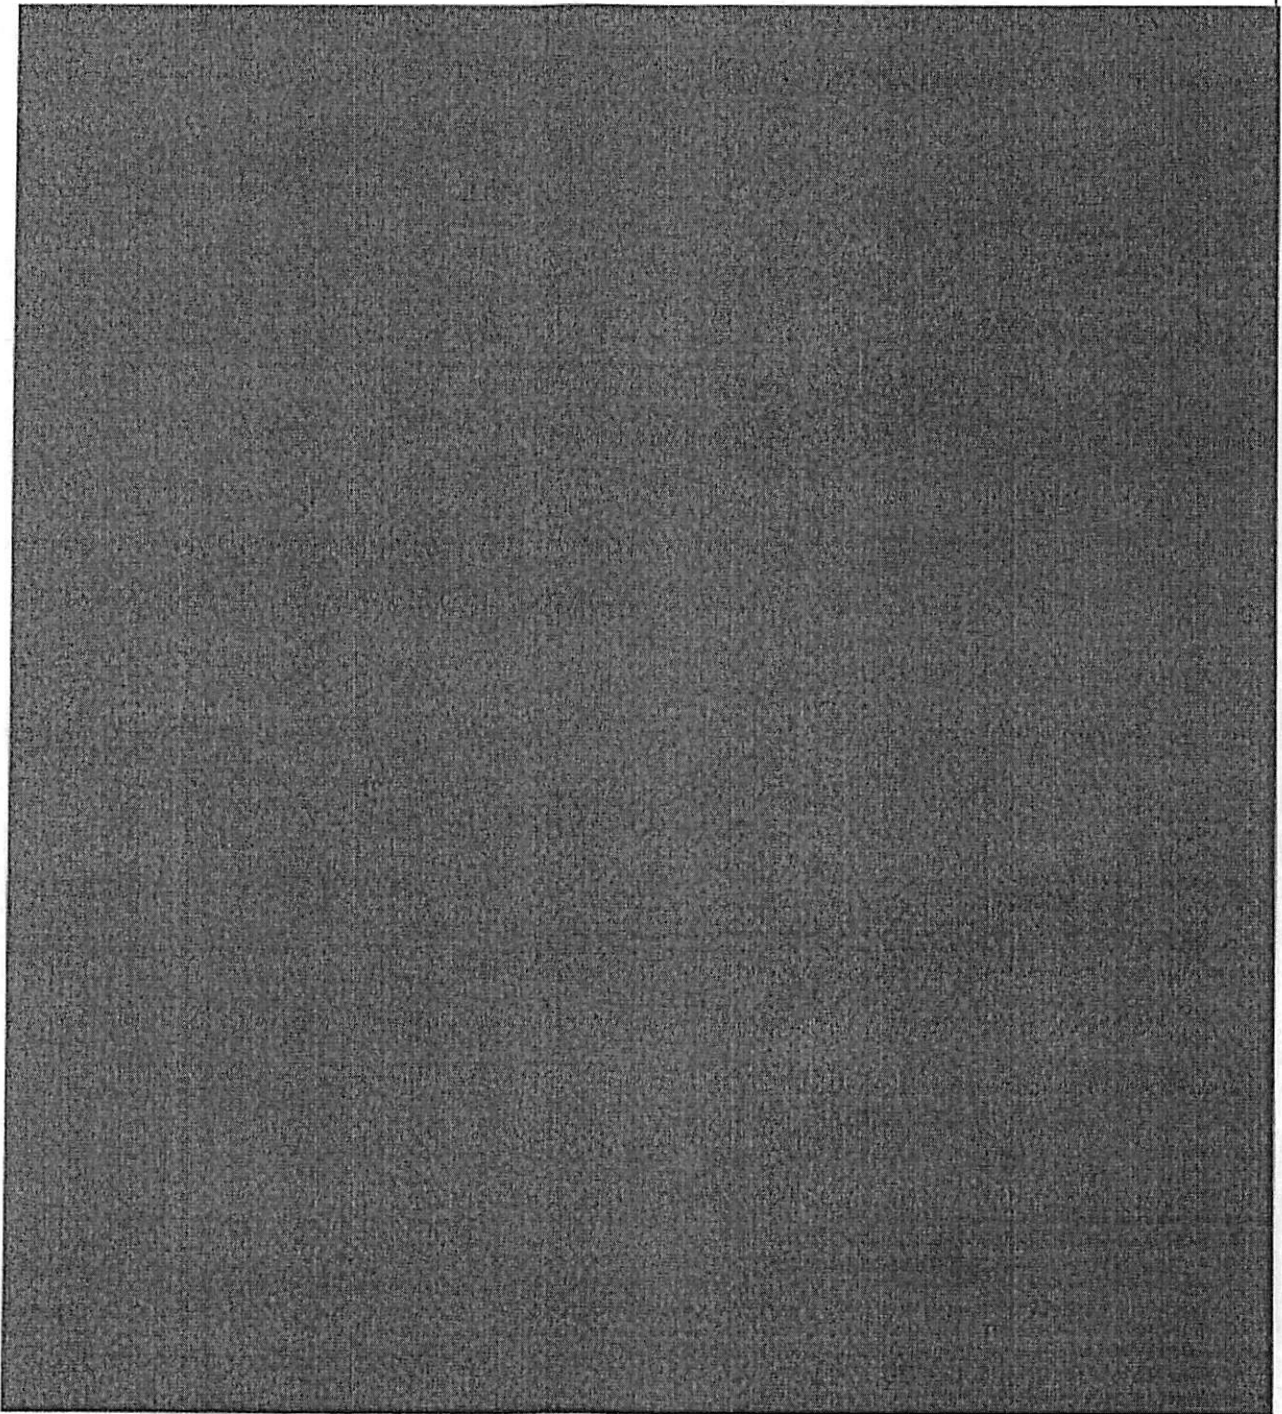

ii. 2011 Waltham Murders

38. On the evening of September 11, 2011, three young men were killed at a residence at 12 Harding Avenue, Waltham, Massachusetts. One of the victims, Brendan Mess, Russell described as Tamerlan's very close friend. The murders were particularly grisly: the victims were bound, beaten, and had their throats cut. In addition, the victims were covered with marijuana. [REDACTED]

39. On May 21, 2013, as referenced above, law enforcement agents interviewed Todashev. Todashev confessed that he and Tamerlan participated in the Waltham murders. He said that he and Tamerlan had agreed initially just to rob the victims, whom they knew to be drug dealers who sold marijuana. Todashev said that he and Tamerlan took several thousand dollars from the residence and split the money. Todashev said that Tamerlan had a gun, which he brandished to enter the residence. Tamerlan decided that they should eliminate any witnesses to the crime, and then Todashev and Tamerlan bound the victims, who were ultimately murdered. Todashev went on to say that after the murders, Tamerlan and Todashev tried to clean the crime scene in order to remove traces of their fingerprints and other identifying details. [REDACTED]

[REDACTED] Todashev said that they spent over an hour cleaning the scene. Todashev said that Tamerlan had picked Todashev up in the Target Vehicle and they traveled to the scene of the Waltham murders together. After the robbery and murder, they left the scene in the Target Vehicle.
